DESCRIPTION

2020 Toyota 4Runner

This 2020 Toyota 4Runner is the kind of SUV built for families who want everyday practicality without giving up the freedom to explore beyond the pavement. Known for its rugged body-on-frame construction and legendary durability, it's a vehicle that handles the weekday commute just as confidently as it tackles weekend adventures. With only 86 kilometers on the odometer and a well maintained history, it's barely broken in and ready for years of dependable driving. Powering this 4Runner is a proven four-wheel-drive system designed to keep you moving through changing conditions, from snowy winter roads to muddy trails. Tow hooks, a factory tow hitch, and a conventional spare tire add real-world capability when the road turns rough or the adventure calls for extra gear. Running boards make climbing in easy for passengers of all ages, while durable aluminum wheels wrapped in all-season tires h...
