**DESCRIPTION**

**2021 Honda CR-V Touring**

This 2021 Honda CR-V Touring with 67,430 kilometres is a fully loaded compact SUV that delivers turbocharged performance, all-wheel drive confidence, and a premium feature set designed for comfort, convenience, and everyday versatility. Powered by a turbocharged engine paired with Honda's all-wheel drive system, this CR-V Touring provides smooth, confident performance in a wide range of driving conditions. Whether you're commuting, travelling in winter weather, or taking longer highway drives, it stays composed and capable thanks to stability control, traction control, brake assist, and ABS working together in the background. Inside, the Touring trim brings a noticeably premium experience. Leather seating surfaces, heated front and rear seats, and a heated steering wheel provide year-round comfort, while dual-zone climate control with rear ventilation helps maintain a balanced cabin enviro...
