**DESCRIPTION**

**2022 Toyota Tacoma**

This 2022 Toyota Tacoma is a rugged and dependable truck that's perfectly suited for family life, daily commuting, and weekend adventures alike. With 140,218 km on the odometer and a well-maintained ownership history, this Tacoma offers the reliability and versatility that Toyota is known for, whether you're hauling gear, towing a trailer, or tackling off-road trails. Equipped with four-wheel drive, a brake-actuated limited-slip differential, and front disc/rear drum brakes with ABS, it delivers confident handling and stopping power in a variety of conditions. Daytime running lights, automatic high beams, and adaptive cruise control add safety and convenience to every drive, while front and rear head airbags, front side airbags, driver knee airbag, and passenger airbag sensors keep everyone protected. Stability and traction control, lane departure warning, and front collision mitigation f...
