**DESCRIPTION**

**2022 Toyota Tacoma TRD Sport**

This 2022 Toyota Tacoma TRD Sport is a capable midsize truck that blends rugged four-wheel drive performance with the comfort and technology needed for everyday driving. With 56,867 kilometers and a well maintained history, it offers the durability and reliability Tacoma is known for while remaining practical enough for commuting, hauling gear, and weekend adventures. Built with four-wheel drive and Toyota's TRD Sport tuning, this Tacoma is ready for changing weather, gravel roads, and off-the-beaten-path travel. A brake-actuated limited slip differential, tow hooks, and factory tow hitch help maximize capability when towing, exploring, or tackling tougher terrain. The suspension provides a composed ride for highway driving while still maintaining the toughness expected from a Tacoma. Inside, the cabin is designed with comfort and functionality in mind. Heated front seats and driver lumbar...
