DESCRIPTION

2023 Toyota Tacoma TRD Sport

This 2023 Toyota Tacoma TRD Sport is a low-kilometer midsize truck that combines everyday drivability with the rugged capability Tacoma drivers expect. With only 22,970 kilometers and a well maintained history, it delivers dependable performance, practical utility, and the durability that has made the Tacoma one of the most respected trucks on the market. Equipped with four-wheel drive, this TRD Sport is built to handle changing road conditions, rough terrain, and weekend adventures with confidence. The suspension tuning provides a smoother, more responsive on-road feel while still maintaining the toughness needed for gravel roads, trails, and unpredictable weather. Features like a brake-actuated limited slip differential, tow hooks, and factory tow hitch further reinforce its capability when work or recreation calls for more than a typical SUV can handle. Inside, the Tacoma balances pract...
